Career Experience

GRAPHIC DESIGNER | APRIL 2023 - PRESENT BP PRINTING | LAKEWOOD NJ USA

Collaborates with copywriters and clients to create projects and layouts according to the clients vision and current trends. Works on time sensitive assignments meeting deadlines in a professional way. Utilizes creativity to achieve the client's goals in a clear and attractive fashion.

WEB BUILDER AND DESIGNER (UI UX) | PRESENT FREELANCE | HOME OFFICE

Creates and designs user friendly websites for businesses. Uses color psychology, current styles and animation to make the website engaging for the consumer. Fresh clear design and easy to use technology make my websites client friendly.

INVITATION DESIGNER | PRESENT FREELANCE | JERUSALEM

Designs digital invitations for events and occasions. Utilizes innovative and unique designs to make invitations stand out while remaining loyal to current styles.
